Roll the dice

One: Talk about something you think about when you look at the picture card.

Two: Talk about something you are good at based on the picture card.

Three: Talk about something you would like to be better at based on the picture card.

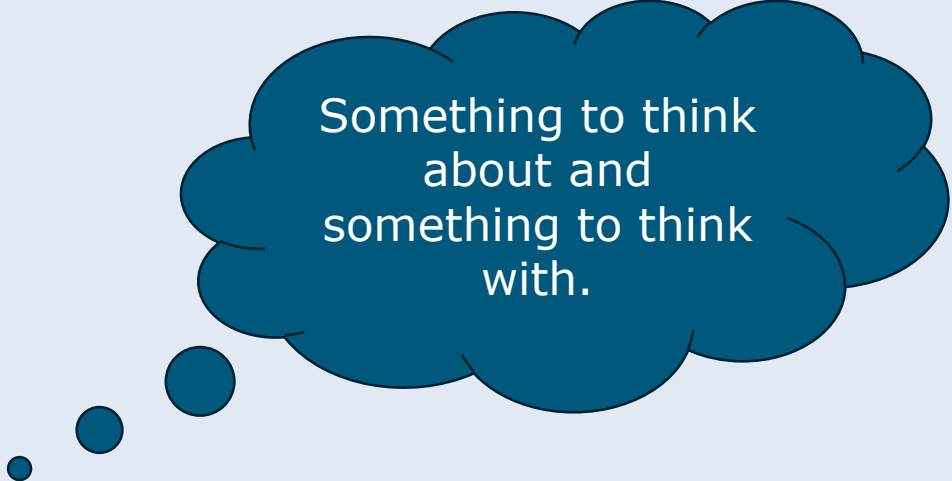

Four: Talk about your educational aspirations based on the picture card.

Five: Talk about something that is of great importance to you in connection with your education.

Six: Ask a question about education to one of your classmates based on a picture card.

The main goals of guidance in Denmark

- Help individuals to identify their strengths and weaknesses.
- Provide information about education and training opportunities.
- Help individuals to make informed decisions about their future.

Something to think about and something to think with.
